

Alameda Electric would like to encourage you to sign up to receive invoices via E-Billing (electronically via email).

What are the benefits of switching:

- Allows you to receive your invoices faster!
- The retrieval is instantaneous which will allow you to, in turn, bill your customers faster!
- Gets you to join the "Green Team" and reduce the hassle of excess paper & snail mail!

AND MUCH MORE!

If you would like to have your company set up on e-billing, please print this document, fill out the information below and fax to (510) 751-1540. If you have any questions or would like to learn more about e-billing, you can contact Kathy Sanders at (510) 751-1555 or e-mail at ebilling@alamedaelectric.com
